# RED • WHITE • & YOU

# As We See It . . .
# a Classic Year

The year of '86-87 was a CLASSIC year for Cache School . . . Bulldog spirit . . . fun . . . excitement . . . hard work . . . and dedication. These are the classic reflections of a year that won't slip away.

Each day is a golden opportunity to explore . . . learn . . . and to excel. How well we do is up to the individual — YOU!

We witnessed changes on the state and national scenes that would make our world a better place to live . . . we saw our country get on the bandwagon to combat the war against drugs . . . we witnessed unpleasant events dealing with national terrorism and economic problems.

Our state's leadership changed with a new governor, Henry Bellmon. We continued to push for legislation that would provide relief to family and school communities in a time when jobs were scarce and money was tight. We saw the passage of a seat belt law that would cause Oklahomans to "BUCKLE UP!" for the first time in our state's history.

Just Say No!

# Buckle Up! OKLAHOMANS

No one will deny that we live in awe of the accomplishments made by determined leadership. The adventures by the airplane VOYAGER, Oklahoma Sooners — Orange Bowl Champions, and America's Cup winner, Dennis Connors is typical of the CLASSIC spirit within each of us to accept the challenge, be the best, and to become winners!

We survived 1986-87 and, yes, many of the CLASSICS still remain. They can never be taken from us and will stay with us forever!

# A Closer Look . . .
# It's Our Way!

There is never a dull moment at Cache. Involvement in school activities and celebrating after winning football and basketball games are some of the main things that occupy some student's lives; and other students like to roar into the school parking lot with their cars spraying gravel everywhere. Some of the more daring students sneak out at night and express their ideas by spray-painting the local bridge.

However, students at Cache High also keep up with latest fashions . . . swatch watches . . . Coke shirts, ever-popular high-top sneakers, just to name a few. The popular music & movies of Madonna . . . Bon Jovi . . . and . . . Ferris Bueller's Day Off . . . Top Gun . . . are still classic forms of entertainment enjoyed by students.

Overall, we have a good school and caring teachers.

School pride and spirit can be summed up with the words from a CLASSIC commercial . . . RED, WHITE, & YOU!

# A Year to Remember . . . for the Record!

Everyone who reads this yearbook is bound to see all the work put in it. Younger readers may not understand all the text, but in years to come they will look upon it with joy, because this yearbook symbolized one's pride and devotion to his school.

This book is a record of all the activities enjoyed by the students in this school. Read it with pride.

## *Leading the Way With the Perfect Example of Pride . . .*

# *It's the Class of '87!*

For most, it was the year everyone looked forward to — your senior year in high school. High school played a major role in our lives. It provided a place for each of us to become involved with studies, extra-curricular activities, and social events. It taught us the good things we can get out of life. We became responsible young adults . . . we learned to accept challenge . . . we did our best!

# Check Us Out . . .

*No matter where we go or what we're doing — a spirit of pride . . . laughter . . . and determination is always there.*

Cheerleader Judy Riley is momentarily puzzled as she tries to find her locker.

Friends forever! Becky Castlebury and Shon Hilmer.

For that special someone! Melissa Major and Ann-Mary Howell prepare cupid-grams for Valentine's Day.

All smiles! Laura Griffitts is caught by a photographer as she grabs books for class.

# *It's What You Make It!*

It all began with the traditional senior events . . . senior pictures . . . graduation checks . . . State Fair Trip . . . class meetings, have you ever felt that time was slipping away? Decision-making time was an important task facing the Seniors of 1987. Many scholarship applications needed to be submitted before mid-term and that meant a committment to your choice of college, apply for admission, and having your ACT score. Knowing that how well we prepared will determine our readiness for college prompted most seniors to get on the ball!

As our high school days drew to a close, we departed wondering where will each of us be and what will our lives be like after its all said and done!

# Administration and Faculty

## Here for You!

A school is made up of many students, teachers, and other important personnel. But all of these individuals could not work together efficiently without the leadership of the superintendent, principals, and the school board.

Under the leadership of Superintendent Don Colwell, a veteran educator of 16 years, the administration keeps the school operating efficiently, providing an ideal learning atmosphere for students and a qualified staff that uses their abilities to relate to students inspiring them to do their best in everything they do.

# Juniors: Almost Top Dog

Junior Class Officers: President — Dana Coble, Vice-President — Steve Red Elk, Sec. — Traci Baughman, Treas. — Sabrina Brooking, Reporter — Jamie Porter, Student Council Rep. — Jodi Howell, Sponsors — Kirk Mullenix and Carmen Mietchen.

The Junior Class is anxiously awaiting the graduation of the Senior Class so they can be "top dog." Although the juniors were quite successful as underclassman, they planned, and paid for, an excellent prom. They also won football homecoming and did a great job in the yearbook sales for the annual king and queen competition. Don't get too impatient juniors, time really flies.

Sophomores are usually timid and shy, but these sophomores fooled us all. They definitely came to the high school and took charge. Out of the four major events of the school year, the sophomores won two. Tiffany Brown started the year off right by winning the title of Miss CHS, with her classmate Stacey Nichols getting first runner-up. Tina Red Elk and James Carter continued the winning streak by taking the title of yearbook King and Queen. If the sophomores do this much now, what will it be like when they are seniors. It's for sure, keep your eye on the class of '89!

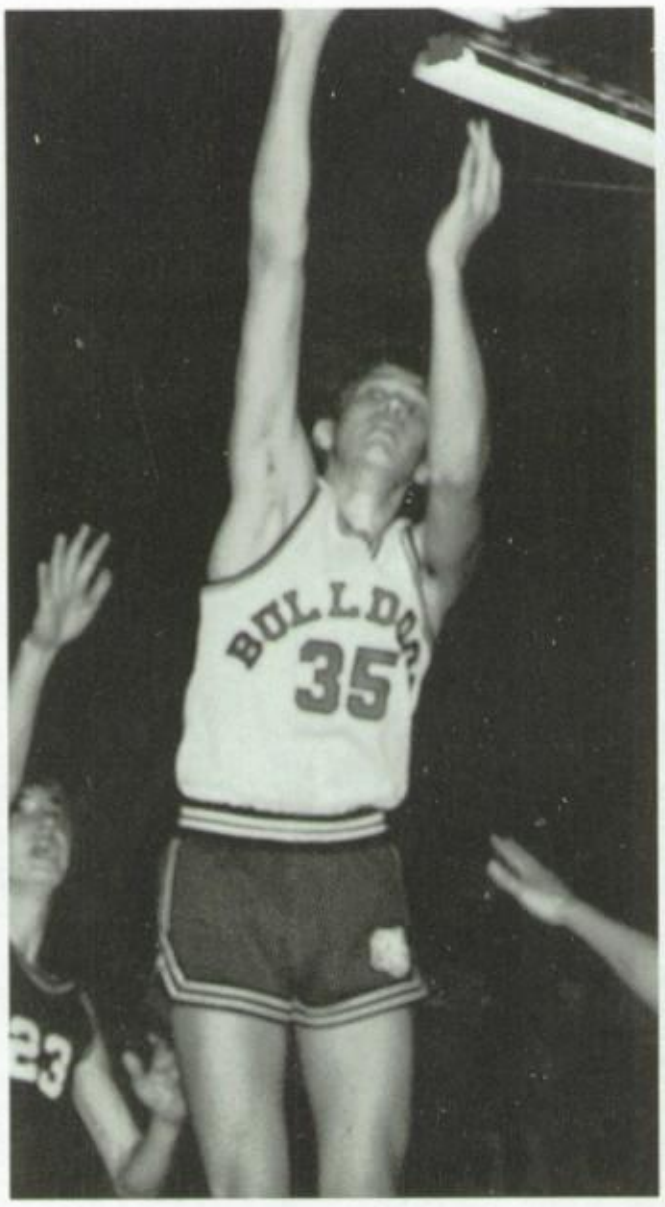
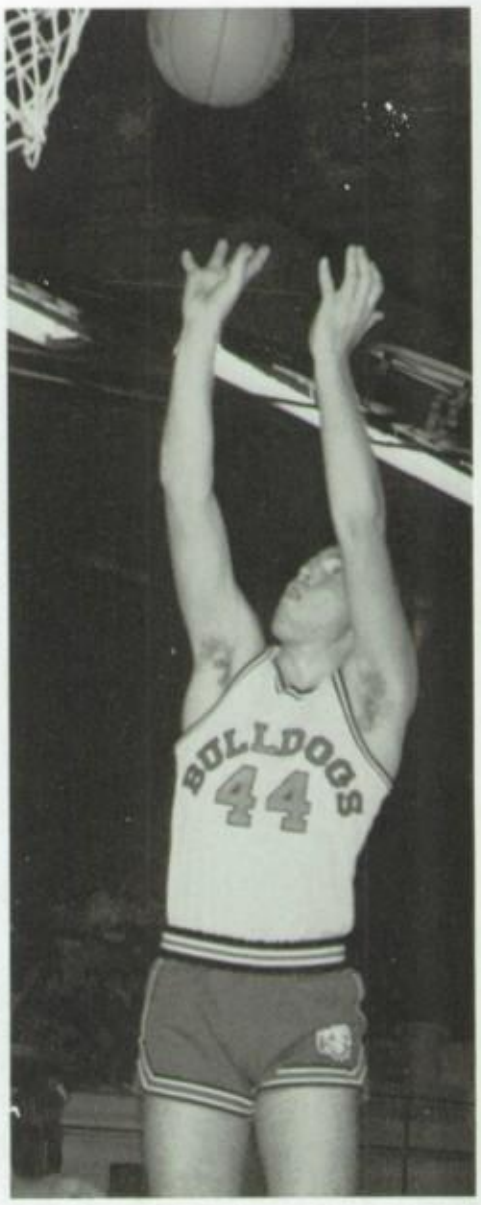
# Bulldogs' Season — Tough!

Hustle, hustle, hustle!!! That is the one word that the Bulldogs heard most this year as they prepared for the upcoming year. Drills, sprints, and pressure freethrow games all were present in the preparation for the season that lay ahead.





## Hustle, Hustle, Hustle!!

The boys fought hard all season long to come out with a 7-12 record. The boys faced some of the toughest teams in the area. The biggest disappointment was a loss to Indiahoma in the first game of the County Tournament. That didn't keep the Bulldogs down. They faced the Warriors again for a revenging victory. It was the surprise and excitement such as this that kept the fans coming. The boys lost out in the first game of District to Apache to end the season.

As the Lady Bulldogs began to prepare for the 1986-87 season, things didn't look too good. The defensive end looked pretty good, but the forward end was lacking. The Lady Bulldogs worked hard to finish the season with a 13-10 record. They were beat out in the first round of the County Tournament by Chatty. In post season play the girls beat Apache then lost to Empire. This advanced them to Regionals in the losers brackets. The season ended with a loss to Sayre.

# *Memories*

The soft music, and lights low
Our last dance with friends we know,
The merry voices and spirits light
Overflow the sorrow with fun tonight.
May God help you keep the
courage of the quest
And hope the road's last turn
will be the best.
And when the night has ended
Only a memory will last
Of the glorious evening past.
